

Capstone Project -The Battle of Neighbourhoods

Canada is known to be one of the most diverse place in North America and is one of the top innovators in the field of Artificial Intelligence, it has amazing companies like IBM, Microsoft and has amazing leaders too

Toronto is the Capital of Canada and is number place immigrant come to settle down in CANada

Problems

1. List and Visualize the places that have African Restaurants
2. Where is the best place for an immigrant like me to settle in Toronto
3. Where is the best location for African Food in Toronto
